# Brian McCormack

Web Product Designer from New York

## EXPERIENCE

### Priceline.com / Senior Product Designer

I work within small, collaborative teams to evolve Priceline's user experience, interface and front-end code base.

*Norwalk, CT — 2013-Present*

### UCONN / Adjunct Professor

Teaching HTML, CSS and the foundations of web design to a class of 19 Digital Media and Design students at the University of Connecticut, Stamford.

*Stamford, CT — 2015*

### Priceline.com / Designer + Front-End Developer

Design + development of product and promotional web pages, emails, banners, mobile websites and social apps.

*Norwalk, CT — 2009-13*

### Freelance / Designer + Front-End Developer

Idea to implementation branding, banner development and printed programs. Clients included: Arizona Opera, Hoover Dirt Devil, Brooklyn Bar Association

*2008-10*

### Vilocity Interactive / Graphic + Web Designer

Billboards, Advertisements, Case Studies, Web Design, Flyers and Posters

*Scottsdale, AZ — 2007-09*

## EDUCATION

### SUNY New Paltz / BFA Graphic Design

*New Paltz, NY — 2003-06*

## RECOMMENDATIONS

❝ ...His invigorating personality pushes everyone around him to raise the bar and strive for excellence. When Brian is on your team you know you have someone beside you who is going to give it their all and work with you step by step to produce something great for the customer. ❞

— Alex Quintana
*Product Manager at Priceline.com*

❝ Brian is incredibly talented, hard-working, and skilled in interaction design, visual design, and front-end development. He works without need for direction, takes initiative, sees problems and comes up with solutions, and is truly someone who elevates the work of the entire team. ❞

— Allison McHenry
*Senior Software Engineer at Priceline.com*
